

I am very opposed to the move by Sinclair to show a political program on its many stations in lieu of local programming. They are violating their public trust.

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. But when large companies control the airwaves, we get more of what's good for the bottom line and less of what we need for our democracy.

We need local ownership and many owners, not the media controlled by a few big companies.

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them.

Thank you.
